Dear

Please refer to the letter written by the Union Health Secretary (H&FW) to the Chief Secretary on the need to be prepared for Swine Flu (Copy enclosed for ready reference). In this regard, I am to enclose you the clinical management protocol and the infection control guidelines to be followed in hospital settings.

You may get these guidelines circulated to all the medical colleges, infectious disease hospitals, hospitals identified with isolation facilities and the district level hospitals.

Further, I am to inform you that we have decentralized stock of Oseltamivir and Personal protective equipment to our regional Offices to be used by the State, in case a human cluster of influenza like illness is reported in your State.

With regards,

Yours sincerely
